

Countywide Strategic Plan Crosswalk

This crosswalk highlights the areas that represent the most direct connections between the priority areas of the strategic plan and related countywide initiatives. However, there may be additional connections on a more tactical level.

Proposed Countywide Strategic Plan	Chairman’s Taskforce on Equity and Opportunity	COVID-19 Economic Recovery Framework	Shape the Future of Aging Action Plan
Coordinating Department: Management and Budget	Coordinating Office: One Fairfax	Coordinating Department: Economic Initiatives	Coordinating Department: Family Services
<p>Purpose:</p> <p>To set a clear, unified, community-driven vision, align and integrate issue- and department-specific plans, provide a tool to focus and prioritize shorter-term initiatives, and clearly communicate progress on achieving measurable outcomes to all stakeholders.</p>	<p>Purpose:</p> <p>To leverage the insights, experiences, professional networks, and industry and institutional understanding that exists within our community to better understand the drivers of inequity in Fairfax County and to develop recommendations for accelerating the county's progress towards becoming One Fairfax.</p>	<p>Purpose:</p> <p>To develop an economic recovery framework which identifies the county's key needs and challenges and makes recommendations for fostering an equitable, inclusive recovery based on stakeholder input, analysis, and best practices.</p>	<p>Purpose:</p> <p>To develop an inclusive framework to enhance the quality of life for older adults, adults with disabilities and caregivers.</p>
